WHERE TRADITION MEETS INNOVATION
THE ANNUAL CIVIL ENGINEERING FEST OF NIT ROURKELA

Art-E-Tech

About the event:

Art-e-Tech is an event for sketching enthusiasts wherein they will draw famous architectural monuments/structures of their choice. This event will exhibit their artistic talent of sketching and summarise the art to convey its significance to the audience.

Guidelines:

- Participants have to sketch a Civil Structure.
- The drawing must be on A4 size white paper using a pencil or pen.
- The sketch is to be scanned and uploaded in the .jpeg/ .bmp format before 13/05/21. Submission after the deadline will not be entertained.
- Participants are required to work individually. No teamwork is entertained.
- Any kind of plagiarism and use of sketching software is not at all entertained. Use of such may lead to disqualification.

Judging Criteria:

- Relevance to theme: 10%
- Composition: 30%
- Overall Impact: 10%
- Design: 30%
- Complexity: 20%

Submission Link:
