WHERE TRADITION MEETS INNOVATION
THE ANNUAL CIVIL ENGINEERING FEST OF NIT ROURKELA

PIXCIV

About the event:

PIXCIV is a photography contest wherein participants are encouraged to capture the aesthetics of any perspective related to civil engineering. Participants will submit the photographs clicked by them and a short write-up explaining the picture's essence. The submissions will take place online, and social media tractions will adjudge winners.

Guidelines:

- Participants have to click a photo related to Civil Structures.
- Participants have to submit a short caption (not more than 100 words) along with a photo.
- EXIF Data of the picture should also be uploaded while submitting the photo. Participants can get the EXIF Data of the image on the following link:- <http://exifdata.com/>.
- The Photograph must be clicked by the participant himself/herself. Infringement of the copyright of others will lead to disqualification.
- Do not include your credentials (Name/Watermark/Date etc.) in the frame of the photograph.
- Participants have to submit before **13/05/21**. Submission after the deadline will not be entertained.
- Photos will be uploaded to our Instagram handle.

Judging Criteria:

- Relevance to theme: 5%
- Exposure: 5%
- Caption: 10%
- Composition: 10%
- Overall Impact: 10%
- Popularity*: 60%

(*Popularity will be judged based on likes received by the photo in our Instagram handle.)
